

BETHEL PARK BUSINESS ASSOCIATION MEETING

July 25, 2019

Attendees: 7 Attendees

Guest Speaker: Anna Caruso w/ Huntington Bank (*Thank you for lunch, Anna!*)

- Corporate Fraud – banks do not automatically offer protection against fraud on business accounts, only on personal accounts
- Checks are the most vulnerable type of payment to be manipulated
- **Positive Pay** is an automatic fraud detection tool offered by most banks
- Always know who has access to corporate credit cards, & who wire transfer info is being sent to
- When emailing banking or credit card info, always use secured emails
