

BETHEL PARK BUSINESS ASSOCIATION MEETING

March 16, 2017

Attendees: 11 attendees, including Ashley Moore representing the municipality

Guest Speaker: Ashley Moore

Shade Tree Commission - informed the meeting that the Shade Tree Commission is still accepting applications. Members are still needed.

Overlay District – Industrial Park members discussed hardships concerning lighting and parking issues with council last week

Storm Water Study – Shawn Arbaugh discussed the Storm Water Runoff Study. The committee is working towards solutions

Enterprise Boulevard will be repaved in 2017 and road lines will be painted

Minutes: Minutes from the February meeting were approved

Treasurer's Report: \$8,000 in account

Membership Report: We now have about 34 memberships to date

Old Business:

Surveillance signs have been installed in the Industrial Park

The water study has been approved by council

Bethel Park clean-up day is scheduled for April 22, 2017, which also happens to be Earth Day. The Industrial Park will try to coordinate to do clean up together.

Flower planting at the front of the Park to be determined

We will be skipping the e-recycling day this year

We will be sending businesses a link to the Industrial Park Facebook page

New Business:

The Industrial Park Association will vote next month on making a \$500 donation to the Bethel Park Historical Society capital campaign for renovating windows

Elections for officers of the Industrial Park Association will be held next month. Volunteers are needed for all positions. Please support the Industrial Park by considering running for one of these positions. We are accomplishing so much, and we would hate to see it come to an end because no one wants to assume these positions.
